COSTAL INSPIRATION

La palette colori del tema COASTAL si ispira ai paesaggi costieri, evocando la serenità e la bellezza naturale delle spiagge. Le tonalità principali includono una gamma di beige morbidi, color corda e sfumature sabbiose che richiamano la delicatezza della sabbia e il calore della terra. Questa palette crea un mood rilassante e armonioso, perfetto per chi cerca un'estetica elegante e naturale.

“Utilizza la tonalità GOLD EARTH, dalle caratteristiche naturali, per aggiungere un tocco di luminosità calda e avvolgente, ricordando il bagliore dorato del sole che si riflette sulla sabbia.”

The color palette of the COASTAL theme is inspired by coastal landscapes, evoking the serenity and natural beauty of beaches. The main tones include a range of soft beiges, rope colors, and sandy shades that reflect the delicacy of sand and the warmth of the earth. This palette creates a relaxing and harmonious mood, perfect for those seeking an elegant, natural aesthetic.

“Use the GOLD EARTH shade, with its natural characteristics, to add a touch of warm and enveloping brightness, reminiscent of the golden glow of the sun reflecting on the sand.”

OXYGEN INSPIRATION

Nel tema OXIGEN, si dà importanza e valore a tonalità che raccontano sensazioni di freschezza ed aria pura e pulita. Verdi acquatici, ma cristallini e dall'aspetto arioso, si affiancano a tocchi di lavanda eterea ed a bianchi e azzurri con riflessi vetrificati.

“Utilizza la tonalità MOONLIGHT JADE per spingere la palette verso una reale sensazione di pura freschezza e ossigeno fondendola con le altre tonalità più leggere, fresche ed ariose”.

In the OXYGEN theme, emphasis is placed on tones that evoke feelings of freshness and pure, clean air. Aquatic greens with a crystalline, airy look are complemented by ethereal lavender touches, along with whites and blues with glassy reflections.

"Use the MOONLIGHT JADE shade to steer the palette toward a true sensation of pure freshness and oxygen, blending it with the other lighter, fresher, and airier tones."

HOT WAVE

www.fglinternational.com

HOT WAVE INSPIRATION

Nel tema HOT WAVE i colori sono i veri protagonisti. Ogni tonalità è catturata nella sua essenza più satura e carica di vibrazione positiva e solare in pieno mood estivo. Dominano le tonalità rossastre ed aranciate con picchi di saturazioni violacee mentre un giallo solare rende accecante l'intera gamma.

“Utilizza la tonalità SYMPHONIC SUNSET per estremizzare la sensazione di sole accecante capace di rinforzare l'essenza vibrante di ogni colore della palette”.

In the HOT WAVE theme, colors take center stage. Each shade is captured in its most saturated form, full of positive, sunlit energy, embodying the summer vibe. The palette is dominated by reddish and orange tones, with flashes of vibrant purple, while a sunny yellow adds a blinding intensity to the entire range.

"Use the SYMPHONIC SUNSET shade to intensify the sensation of blinding sunlight, enhancing the vibrant essence of each color in the palette."

FREAK NATURE INSPIRATION

Nel tema FREAK NATURE, emergono le tonalità pastello della stagione. I pastelli stagionali presentano caratteristiche meno oniriche e diventano più vivaci e più saturi di colore. Una base di tinte naturali, come di verdi e di coralli, prendono una connotazione più digitale, affiancandosi a tinte lavanda e rosa

“Utilizza la tonalità BOUGAINVILLEA, per enfatizzare la dimensione digitale delle altre tonalità di colore.”

In the FREAK NATURE theme, seasonal pastel tones are emerging. These tones are brighter and more saturated than typical pastels, moving beyond their usual softness. Natural hues like greens and corals take on a digital vibe, paired with lavender and pink shades.

"Enhance the digital feel of the palette by incorporating the BOUGAINVILLEA shade to amplify the intensity of the other colors."
